So the husband of a respected cinematographer -killed in a tragic accident on set- is a lawyer in a firm which represents high profile clients. Most people would describe them as a "power couple." In fact we don't have to make anything up because it is both unremarkable & true

No, I don't think it's cool to make fun of people publicly for trying to do challenging jobs. I don't like being second-guessed myself.

But the prosecutors in the #Rittenhouse trial are part of, and emblematic of, a very dark evil. For them, mockery is far too lenient.

What an embarrassment the Rittenhouse case is on our judicial system...

This kid was attacked, by multiple individuals, some armed, trying to kill him, and he defended himself.. The evidence is CLEAR... You have a right to defend yourself, only liberals disagree with that..

I hope someone up there at the top realizes the actual trauma taking place for some kids as they watch adults "fight" over if they live or die from covid. I hope some kind of attention is going to how this "dilemma" right or wrong is affecting our kids. How are they feeling?

Apparently the 10 folks who bought one tonight so far, and those who have the courage to do so... :) It's okay, not everyone has the courage to wear a shirt that says "All I want for Christmas is a New President"

We'll continue to carry the torch for those that are weak :)

I hope someone up there at the top realizes the actual trauma taking place for some kids as they watch adults "fight" over if they live or die from covid. I hope some kind of attention is going to how this "dilemma" right or wrong is affecting our kids. How are they feeling?

We players are frustrated with our University Health Services(UHS) ⬇️⬇️⬇️

they really had no answers for us. They just beat around the bush and deflected our questions. However we did come away with that the testing last week was not mandated by anyone, it was highly recommended, meaning that they should've never happened. But the university told us it was mandated and we could not participate unless we tested. They will continue to test us this week. These tests also aren't mandated but highly recommended so therefore we should have a choice on whether to take the test or not. But they are still forcing us to take the test with the threat of cancelling competition unless we test. Nothing was mandated but it was enforced as so with the threat of keeping players and staff out of competition until

I'm not upset that Joe Biden referred to African American baseball legend Satchel Paige as "the great negro" in his speech today. I'm upset he didn't call LeBron James that instead.

Democrats don't want justice reform. Look who is in power and their own personal records of locking up people.

No, it's just an election slogan for them.

Reform will come when all UNCONSTITUTIONAL LAWS are removed and people stop breaking their oaths.

If you're racist against white people today, you're a MODERN DAY RACIST POS just like the racist from the past.

Self-defense isn't contingent upon your surroundings anymore than sexual assault is contingent upon what the victim is wearing. Whether in a nice neighborhood or walking headlong into a riot, every human being has the God-given right to preserve their own life.

Nobody in this wussified, feminized, emasculated day and age had the balls to defend their city.

So a 17-year-old kid in Illinois watching TV said, I gotta do something.

It's not vigilanteeism when those who are sworn to protect you abandon their duty.

After 40 years someone is indicted for contempt of Congress.

No its not Eric Holder, nor the many Democrats who had no legal basis for contempt.

It's Steve Bannon who is constrained from complying by the TRO from the 5th Circuit.

Biden is demented.

What about Garland?

Re: Dave Portnoy Interview

Hi Dave,

I've made multiple requests through Barstool to interview you going back to February, and remain interested in including your voice in this story. But if your primary interest is just to produce video content for your podcast or another show, that's different than conducting an interview for a magazine story, and isn't something I can agree to. I know you said on DDTG this morning and elsewhere that you want to have a real conversation about all of this beyond the outlets that usually invite you, and my offer

Dude I'm not an idiot. This was supposed to be a 1/2 punch with you and Julia. I know you and Megan Greenwell are bff's. I'm willing to give you a shot but I don't trust you as far as I can bowl you. I know you've been creeping around my life. Snooping in every corner for any scrap you can find just like that dishonest hit Julia. You're interviewing everybody who hates me and I'm still willing to give you a shot. But it will be video and audio or nothing at all. You've given me zero explanation why it can't be filmed for the record. I've got nothing to hide. Seems like you do. You want the interview I'll give it to you on my terms or go away.

Ps. We both know your article is already dead on arrival without me in it because of the hatchet job Business Insider did on me. I'm throwing you a bone because I do want to talk to somebody who has an agenda already and already hates me like you. Nobody trusts the media anymore because

Erica reached out to me about your request for an interview. As I'm sure you have realized I have a deep distrust of the media right now. The Business Insider article was an all time character assassination. My instinct tells me the peace you are working on is the same vein. Your circle is filled with people I know despise my guts and have written non stop negative things about me for over a decade.

Having said that I will agree to a sit down in person interview if we can tape and record for our own purposes with our own people. I

See George Floyd. Never mind at the time of his death, George had like every drug in his system, covid, heart issues & robbed a pregnant woman at gun point, gun to her pregnant belly, multiple stints in jail. But sure, give him a gold casket, adoration & statues across America.

The Prosecution brought a unlawful gun possession charge against Kyle Rittenhouse that they knew or should have known he was completely innocent of, while allowing a pervasively false narrative to propagate in the media.

That is the very essence of prosecutorial misconduct.

The consequences of the jury not issuing quick verdict is what's causing the chaos in Kenosha.

It's a 100% hung jury now thanks to the fucking Leftist Mob!

I was chastised for preaching the Gospel to people that had chanted, “Let’s go Brandon.” I want to remind people that I spent last year preaching in places like CHOP, DC Riots, & Louisville, Ky during the Taylor riots. THE GOSPEL IS EQUAL OPPORTUNITY. Jesus died for everyone

We've reached a point where jury trials in high-profile cases will have to be conducted in closed courtrooms. The right of an accused person is greater than the public's right to watch a trial on TV or even the media's right to be present in the courtroom.

The right of an accused person to a trial by an impartial jury of his or her peers must never be compromised due to fear by those who serve as jurors that they may be harmed - physically or financially - by their vote.

Sick and tired of these weak Christians who sit on the sidelines and attack those of us with backbones… Great Men of God are being attacked by weak pastors and the media over a “Let’s Go Brandon” chant this weekend at John Hagee’s church..

God would be ashamed of these cowards!

Sick and tired of these weak Christians who sit on the sidelines and attack those of us with backbones… Great Men of God are being attacked by weak pastors and the media over a “Let’s Go Brandon” chant this weekend at John Hagee’s church..

God would be ashamed of these cowards!

Thank you for the birthday wishes!

The greatest gift you can give is to please:

Yep. The Left is so disproportionately angry and desperate to place that anger somewhere that they literally have to *invent scenarios that didn't happen* to be angry at. We have a severe mass mental health crisis in this country.

Ban vaccine and mask mandates. This is why you were elected and not a democrat. Why am I hearing reports you will be unwilling to prevent tyranny? After what the democrats did to us for two years, you should be ashamed of yourself.

Judge Schroeder rightly (and legally) banned MSNBC from his courtroom after serious allegations that an MSNBC affiliated reporter was following the jury bus. Kyle's rights have been trampled upon by the State of Wisconsin and the media. How can jurors not fear for their safety?

How many people shot at rittenhouse?

3

Chris Mastrocola @CMastrocola · 32m
That's an absurd prerequisite for self defense. If Rittenhouse had shot anyone from a distance beyond arms reach, there may be an argument against him. But given the demeanor, behavior, and violent criminal records of those he shot, they certainly posed a grave threat.

How in the hell did BLM make the Rittenhouse case about them... It's absurd... Had nothing to do with the police... and futhermore, had nothing to do with race...

Some people wanted Kyle Rittenhouse to be found guilty mostly because he is white and male.

Let's keep it 100.

The specific details of the event are completely irrelevant to these people.

Every once in a while, a white male needs to be sacrificed at the altar of the 'woke gods'

They just lost one, so there will be weeping and gnashing of teeth

The fact people are even talking about race in this case shows how brainwashed they are, and how screwed up US corporate media is

Self defense. Cut and dry.

Reminder to all of the idiots attacking Kyle Rittenhouse on the left that you're standing up for felons & child rapists...

Furthermore, Kyle didn't attack a police officer, he defended himself against ARMED Felons... Take your privilege and shove it where the son doesn't shine!

Everybody asks, why was Kyle out in Kenosha that night? The more poignant question is, why was a child rapist out there? Why was a domestic abuser out there? Why was a convicted felon out there? They were not there for civil rights. They were there to destroy and to hurt people.

Dude. As a longtime #NASCAR guy and someone who initially put myself out there for you when things went down last year, you need to stop sounding like Joy Reid and Nikole Hannah-Jones and get your facts right.

I know the #NASCAR suits and journos will back you, but it's wrong.

Why is no one asking the question of why were the rioters in Kenosha to begin with? How many of them actually lived in Kenosha? Furthermore, why were the majority of them felons?

Why is no one asking the question of why were the rioters in Kenosha to begin with? How many of them actually lived in Kenosha? Furthermore, why were the majority of them felons?

When are they going to be prosecuted?

I'll wait..

Someone needs to inform Ms. Kops that General Washington didn't require inoculation for soldiers who already had small pox, which included himself. In other words, 200+ years ago, they had more medical knowledge regarding natural immunity than our current commander in chief!

we don't know what happened to George Floyd. He was portrayed as a criminal but the footage tells otherwise. It seems like he was out of his mind, not himself Especially according to everyone's testimonies on what a good person he was in the community. He was being controlled

If things were so bad in Kenosha that night as the far Right likes to imply to justify Rittenhouse's actions, all the suppose looting and arson by BLM and Antifa why was the ONLY MURDERS committed by Kyle? I didn't see anyone else walking around with an AR 15

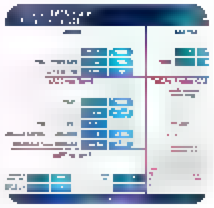
Anyone see the contradiction here? It's not hard.

Cases above level from last week, yet vaccines continue to increase. 2+2=4!!!

Our constant fear-mongering governor can't see the glaring obviousness.



Gov. Asa Hutchinson @AsaHutchinson
New and active cases continue to be above the previous week's levels. While this is not the news we want to see, it's good that our vaccines continue to increase. Let's continue our fight against COVID-19

I agree. I asked my Grandpa (he grew during the Depression in dust-bowl-ridden Oklahoma) once whether he was happy growing up. He said they were too busy to think about such things. I think that sums up the problem with so many today. Too much time to think and obsess.

What news sources are you relying on, curious. The most biased and least accurate it's been documented are Right leaning. Fox news had such bias & inaccuracies Canada forced it to not be labeled news but entertainment. That's propaganda.
